# Ergonomic Height Adjustability

Work in style ergonomically and productively from the comfort of your customized AIS home office.

It's easy to work ergonomically and productively from home.

#### Proper Sitting

Arms are parallel to the floor, feet flat to the floor, screen is at eye level and back is fully supported.

#### Standing

Feet flat on the floor and utilize an AIS anti-fatigue mat, when possible.

Position AIS monitor arm 0-20" below eye level and monitor between arms.
