Ergonomic Height Adjustability

Work in style ergonomically and productively from the comfort of your customized AIS home office.

It's easy to work ergonomically and productively from home.

Proper Sitting

Arms are parallel to the floor, feet flat to the floor, screen is at eye level and back is fully supported.

Standing

Feet flat on the floor and utilize an AIS anti-fatigue mat, when possible.

Position AIS monitor arm 0-20" below eye level and monitor between arms.

Monitor Arms
