

All items must be quoted via standard proposal to reflect discounting and additional services required. Discounting on all items between 35-60% off prices listed, depending on item and quantity. Freight, delivery and/or installation charges may apply. A minimum of 50% deposit is required at order entry.

Design services are an additional cost as needed and will be quoted on a per-project basis.

Lead times are approximate, and delivery dates are not guaranteed. Projects requiring professional installation services are subject to availability. M&M may invoice in advance if needed to meet fiscal year end criteria.
